

# ReachDeep™

Carpet Cleaning Solution

## What it does.

ReachDeep™ Carpet Cleaning Solution penetrates deep into the carpet to break up stubborn dirt and make it easy to remove. This bottom-to-top cleaning™ action lets you choose how clean you want your carpet.

## How to use it.

Apply to carpet using 6 to 18 oz. per gallon of water depending on dirt load. Work into carpet using an extractor brush with the vacuum turned off or a cylindrical or rotary floor machine. Let work for 10 or 15 minutes and flush until water is gray. Also use ReachDeep™ Carpet Cleaning Solution as a pre-spray for traffic lanes and spots.

## What's in it?

Powered by EnzaClean™\*\* technology, pH neutral cleaning action breaks down dirt without harming or fading carpet fibers.

## What's not in it?

No hazardous, caustic or toxic ingredients, by any standard. No optical brighteners. No solvent whose residue attracts dirt. No acid or alkaline whose residue attracts dirt. No inferior surfactant whose residue attracts dirt. No glycols, butyls or d'limonene.
